

Your goose.

Created by nationally recognized coding expert
Inga Ellzey

This manual will easily pay for itself by helping you and your staff identify common billing errors that cause claim denials or incorrect payments.

Boost your billings with the 2008 Complete Coder for Dermatology™

The Complete Coder for Dermatology is THE authoritative coding reference guide. Dermatologists across the nation use the CCD to maximize profits through precise, rejection-proof coding—so can you!

The 2008 CCD: It's new, it's different, and it's much easier to use. Don't hesitate... Order it Now!

This will be the only CPT® and ICD-9 dermatology coding and billing reference manual your office will ever need.

- 40 new tabs by subject in alphabetical order for quick reference including acne, consultations, debridement, light therapy, nail services, PA and NP billing, shave removals, supplies, and much, much more)
- In each section you'll find a new and informational Q&As that will answer many of your everyday questions plus easy-to-

follow coding and billing guidelines, examples of completed claim forms, RVU, modifier and postop information plus specialized forms.

- Each book comes with a FREE CD-ROM that will allow you to easily and immediately utilize the dozens of dermatology-specific forms using either Microsoft Word or Adobe PDF format.

Note: This product replaces the *Complete Coder Office Suite* in style, format, and content. Updates will not be sold separately for the old book.

(This product is expected to be released by no later than February 14, 2008)
